Land Acquisition Committee minutes

February 9, 2023

Meeting called to order at 7:10 pm

Members present: Rob Wolff, Frank Jenkins

Members excused: Warren Wheelwright, Seth Molly, Eric Johnson, Carol McGarry, Joe Shanahan

Guest: George Fiske

Because we had no quorum, we could not follow the agenda. However, the attendees discussed aspects of the trail potential in Western Sherborn. Rob Wolff had extensive discussions with key players in Holliston, Ashland, and Framingham, as well as our TA, Jeremy Marsette. These discussions show strong support for developing an extension of the Holliston Trail through Sherborn on the abandoned CSX rail line west of the Barber Reservation. CSX has indicated it is not interested in selling the rail line which is key to any movement in connecting the Holliston Trail with Framingham. However, there are many moving parts that Rob and others will pursue. He will keep us informed.

Meeting adjourned at 8:43 pm.
