ATM 2023 Warrant Article Revotes

- Article 7 – Omnibus Budget
 - The budget amount for the Tri-County Vocational School was updated by the school in a recent letter. The updated amount for Sherborn’s assessment is \$19,664, compared with an estimate of \$18,600 presented at the Committee’s Public Hearing on March 18, 2023. The Committee voted 7-0 to update its recommendation for favorable action on the Omnibus Budget with the updated number incorporated.
- Article 18 - Solar Bylaw
 - The version of this article on which the Committee recommended favorable action at the Public Hearing included typos in section 5.10.4. The references in that section to the Mitigation section should be 5.10.15 (rather than the incorrect 5.10.5). The Committee voted 7-0 to update its recommendation for favorable action on Article 18 including the corrected references.
