

Pat Cassell Recently Honored by Select Board.

Pat Cassell has been a resident of the Town since 1971. Pat, along with her late husband Doug, have been members of the Farm Pond Advisory Committee since 2007. Pat also served on the Municipal Building Committee in 1982, The Storm Emergency Committee, in 1997, The Reuse (23 Washington Street) Committee in 2008 and has been integral part of the Council on Aging spending many hours helping with the Lifetime Learning programs;

Through the years the Cassells have tirelessly given themselves to serve the Town that they both so loved. Sadly in 2017, Doug passed away. A few years later, Pat appeared before the Select Board with a concept that she had developed for a Memorial that would be at Farm Pond. This Memorial would be paid for solely by Pat and any donations that she would receive.

On May 9, 2019 the Select Board gave their blessing to Pat for the final approval to move forward with the construction of the project at Farm Pond that would be dedicated to her late husband Doug.

The Memorial at Farm Pond is now finished for all to enjoy. Pat worked tirelessly to bring this memorial to completion in honor of her husband. The Select Board recently acknowledged her efforts with a proclamation and much appreciation for all that she and Doug have contributed to the Town of Sherborn.

Thank you Pat!
