Dear Ms. Racer,

The Town of Sherborn is in receipt of your letter dated November 23, 2022, informing the Town that DHCD is currently reviewing an application for Site Approval that has been submitted by Washington Street Sherborn Homes, LLC for its 121-129 Washington Street 40B project "Washington Street Sherborn Homes".

A site visit was held on Monday, November 21st, 2022. A comment letter from the Town to DHCD is due by December 23rd, 2022.

Due to the meeting schedules of our relevant Town Departments, as well as our volunteer Boards, Committee and Commissions, the Select Board has received requests for more time in which to properly review and analyze the development proposal. In response, at the meeting of December 1st, 2022, the Select Board voted to request a 30-day extension of the December 23rd deadline. This extension will provide sufficient time during the upcoming holiday season for the various boards and committees to meet, review the submitted documents, discuss potential impacts, and provide thoughtful comments to the Select Board. The December 23rd deadline does not provide adequate time.

The Select Board respectfully requests that you approve a 30-day extension to allow the Select Board sufficient time to integrate all input and properly prepare comments to DHCD.

Thank you in advance,

A handwritten signature in blue ink that reads "J. R. Waldron".

Jeffrey Waldron, Chair
Sherborn Select Board
