Sherborn Board of Health,

Please see attached a MA Title V Disposal Works Construction Application, a Septic Plan and a Hydrogeologic Evaluation Report for Farm Road Homes.

Hard copies and check for fee will be hand delivered to the BOH office this morning.

Please note this application is for Title V septic only. Any comments on deficiencies should focus solely on regulations of Title V.

BOH concerns related to local regulations should be submitted through the Sherborn Zoning Board of Appeals in the Comprehensive Permit Process.

We look forward to answering your questions/concerns.
