

File for Tax Aid from Feb. 1-28

Residents have been very generous in donating to Sherborn's Tax Aid Fund. To qualify for aid for the Spring 2018 tax bill (fiscal 2018), applicants must own and occupy their property on **January 1, 2018** and have been a resident of Sherborn for at least five years.

The Committee will consider the income, assets and expenses of the applicant and the household. Most often, tax aid will be considered for those age 60 and older or disabled persons. Applicants will generally be considered with income of \$35,000 or less for singles and \$40,000 or less for households with two or more people and total assets of less than \$590,000.

Those who have income or assets that exceed but are close to these guidelines are still encouraged to apply. All information provided will remain confidential with the Tax Aid Committee.

Applications are available in the Sherborn Assessor's Office and must be filed with that office **by noon on Wednesday, February 28.**

For more information or help on the tax aid application, contact Wendy Elassy in the Assessor's Office or any of the following Tax Aid members:
