

Technology Help Available at the Sherborn Council on Aging

Can't figure out how to get an app on your iPhone? Need some help with your laptop? Is your iPad not cooperating? Why won't your printer work?

The COA office is offering Technology Help. Got a problem? We'll give it a shot! Call the office at 508-651-7858 and request an appointment. We'll try and work around your schedule.
